

TGIFairplay Concert Series

4th of July Celebration

with

Richie Law

Fireworks, Parade, Burro Buster 5k Race, Chalk Art Contest & Strut Your Mutt!

Colorado's rising star, Richie Law, gained momentum as a Season 10 Top 40 American Idol Finalist. Since then, he has had major opens with Darius Rucker, Jewel, Thompson Squared, Sawyer Brown, and many others. He is a Grand Champion of American Country Star and the 2015 recipient of the Rocky Mountain USO Entertainer of the Year. His amazing blend of high energy and classic country will keep your feet tapping and the dance floor full.

RICHIE LAW

AND THE

SOUTHERN ROUTES BAND

His band, The Southern Routes Band, contains some of the top musicians in the Rocky Mountain Region. Don't be surprised if this 6'5" southern gentleman joins you on the dance floor and kicks up his heels with you (while singing, I might add). Though he is renowned for his "low" Josh Turner/Johnny Cash vocals, be prepared for him to raise the roof with his high range as well. You won't find a five star rated national act that is more personable or entertaining than Richie Law with The Southern Routes Band.
